

Artwork requirements

- Send all files as press ready pdfs with 1.5 millimetres bleed all round.
- Embed all images and convert all fonts to curves/outlines.
- If you require embellishments, please also include layered Illustrator files.
- Leave at least a 1.5 millimetre clearance between your text and the cutting knife.
- Leave spot colours in your artwork if you want us to match colours otherwise convert all colours to CMYK.
- If you need alterations made we will require working files with fonts and links.
- Please submit your file using [this link](#)

Art example

Tips

- Keep all text above 5 point.
- Keep all images above 300 ppi.
- Do not use RGB.
